...What the!? What in the world is this!?!?

These monsters are attacking the Players one after the other on the island!

This has turned into an unbelievable situation!

It looks like guns don't work on them, so the Players have no hope against these groups of monsters!

I can't even tell which of them's doing the hunting anymore...!

A
disaster!!

This is a
tragedy!!

The counter
for the number
of Players
left is rapidly
decreasing!!

It's
practically
Hell's
Apocalypse
!!!

Hey hey!
So you do
have something
after all, don't
you? Hurry and
switch to it!!

You know,
like videos
of A Rankers
fighting!!

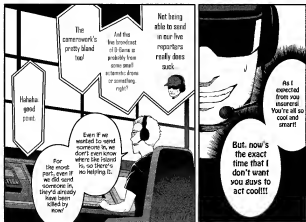

Well if you're
wondering if
the insurers
are alive, then
they are, but-

Pi-please
wait a
second...

The
viewers
are losing
interest!!

Hey hey,
don't we
have any live
videos that are
a bit more
exciting?

Ladies and gentlemen of the audience!!!

The Hunting Game has taken a turn for the worse, but ...

Now, we have an important announcement to make

by our very own general manager of Trinity, Themis...

and the members of the young and energetic Sunset Ravens, who are known to everyone in the D-Game world!

And that
is because
Trinity and
the Sunset
Ravens

Isn't that
right Shuko?
Could you give
the crowd an
explanation?

made a
little bet!

The
specifics
of the bet
are really
simple!

Hello, I am
Theris, the
manager of
Trinity

Today, I-
Today,
Trinity and
the members
of Sunset
Ravens are
offering a
unique game
to everyone
here!

Will our
Kaname finish
this Hunting
Game in first
place?

That's
really
simple to
understand,
right?

In other
words, the
clan leader's
authority will
be handed
over to their
opponent.

The losing
clan will
become the
winning clan's
subordinate.

It's essential
that we form an
alliance with them
in order to close
in on D-Game
Management.

we can
still form a
relationship
with both the
Ravens and
Trinity.

No
matter
what the
outcome
of this
bet is,

We'll be
that place,
if it really
came down to
it, I had the
intention to
use my Signi,
you see...

If that
Rain girl
hadn't gone
along with
our problems,
wouldn't we
have gotten
stuck in a
bad spot?

Our
identities
have been
exposed to
the Ravens,
you know!

Even
so, I'm
afraid!

Dhhh
myyy!!

We just got
some video
footage in
time!!!

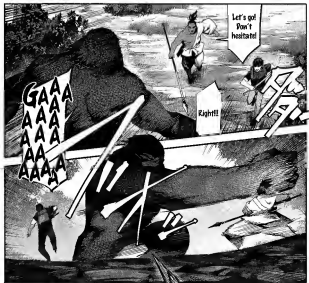

But,
with
those
two...

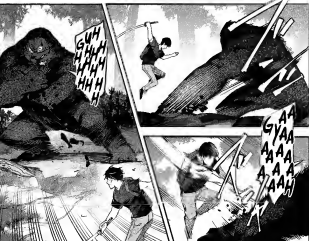

I wonder
how they
would've
acted if they
were to catch
the slightest
hint of me
trying to
using my
Signi.

It's
got some
resistance!

Crap!
Did I
stab
in too
deep!?

It's caught
in the flesh
and I can't
pull it out!

!?

Finally death
a blow back
to them!

Sakao
Kaname of
the Ravens and
the mysterious
witch fought
alongside with

Up until now
we've only
had Players
get crushed
one-sidedly
by them
yet...

This guy's
seriously
awesome!!

I even
forgot
my role
as the host
and couldn't
hold in my
excitement!

He acted
like a hero
by standing up
against it with
a sword!

To a monster
which is
impraisable to
guns and blows
human beings
away with a
single swing of
the arm

To
think
he'd
be this
strong...

I-I
knew
he was
strong,
but...

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years.

We heard
that the
humans in
the outside
world were all
overthrown by
the Doume.

We were
chased down
and we took
refuge on this
isolated
island.

This is
definitely
terrifying.

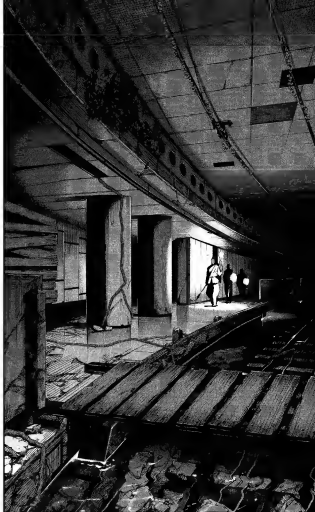

Do-don't
make fun
of me!

Well, I guess
that's because
we haven't ever
seen a Doume in
the sea, right?

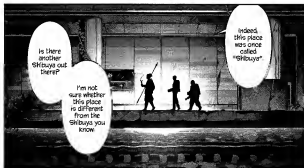

Say,
Kaname... It
turns out this
island's weird
after all!

Our Japanese
gets through
to them, but no
matter what angle
I look at it from
in my mind, I can't
see our world!

Is there another Shibuya out there?

I'm not sure whether this place is different from the Shibuya you know.

Indeed, this place was once called "Shibuya".

Ah... You're talking about the ones you mentioned about earlier. Those who use a skill to look into the future...

Yeah.

If it's one of the elders or shrine maidens, they may know something though...

Well... I'm one of the samurai, so there's plenty of things I don't know of.

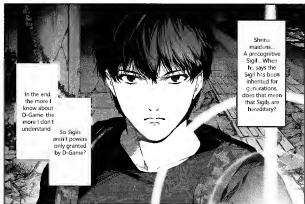

Therefore, they are given special training as shrine maidens.

They have become a major guide to avoiding catastrophes and obtaining blessings.

In our tribe, girls are sometimes born with the power of the Six, possessed by our ancestral mothers.

And sometimes, they see bits and pieces of the future in their dreams.

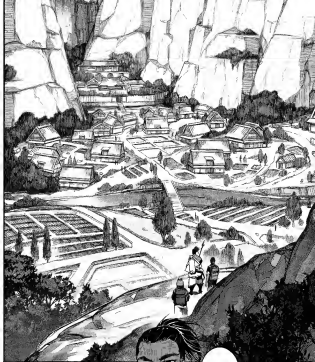

In the end
the more I
know about
D-Game, the
more I don't
understand.

So Sigils
aren't powers
only granted
by D-Game?

Shinn
mumbles...
A precognitive
Sigil... When
he says the
Sigil has been
inherited for
generations,
does that mean
that Sigils are
hereditary?

We'll
reach
soon after
we climb
these
stairs.

Welcome
to our
country.

We welcome
your visit
wholeheartedly.
